

**City of Whitehorse Verifiers For New Houses  
(to verify compliance with the City's Green Building Standards  
(Building & Plumbing Bylaw 99-50 (Sections 84-89))**

\* A City Verifier is a certified Energy Advisor for new houses and a certified Ventilation Advisor. If you are building a house in Whitehorse, a Verifier will do an energy assessment on your building plans, a final energy assessment upon completion of the house and perform a blower door test to verify 1.5 air changes per hour @ 50 Pa depressurization.
